

Have you heard of Brunswick Quilters University (BQU)? It's our new name for our old event! The other names were "Christmas in July" and "School House Days".

BQU will be held during both of our August meetings (8/8 and 8/22) from 9am - 3pm. But you might want to get there early so that you can be all set up and ready to roll when the teacher starts the class at 9am sharp.

We have so many great classes scheduled this year, from hand sewing to aprons to landscapes to bags and pin cushions... how will you ever decide which class to take? There will also be a dedicated area for free sew to finish up those UFOs and visit with your friends..

You will need to bring your sewing machine, sewing supplies, class supplies, and lunch. Bottled water and desserts will be provided.

BQU Sign-ups will start in May and don't forget to sign-up as a volunteers for setup, cleanup, and/or dessert makings.

If you have any questions or comments about BQU, the lead this year is Jeri Wentworth and she can be reached by email at jannwent@gmail.com. or by phone [\(910-742-7911\)](tel:910-742-7911).
