

## **Brunswick Quilters Social Distance Block Exchange**

### ***Guidelines***

- Each participant makes 8 9" (finished) Friendship Star blocks, one to keep and 7 to trade.
- Abide by the deadlines given. Others are counting on you, and doing their best work for you.
- Always do your best work, and use your best supplies.
- Follow the directions for fabric choice, cutting and construction exactly.

### ***Schedule***

- Email [susanvanchina@gmail.com](mailto:susanvanchina@gmail.com) indicating your wish to participate by August 31, 2020. Include your name, mailing address and email. You can start your blocks anytime.
- You will receive an email from [susanvanchina@gmail.com](mailto:susanvanchina@gmail.com) by September 9, 2020. It will include the names and addresses of the quilters receiving your blocks.
- Using a 5x8 manila envelope, mail one of your blocks to each quilter on your list by September 23, 2020; label clearly, and include your return address. ! It's a good idea to put the block in a baggie, with a return address label on it.

*Please do not use a plain white envelope; protect your good efforts!*
